Instructor: Dr. Frank Berberich

This course is for Intermediate and above English speakers who wish to increase their *CONFIDENCE* and *RELAXATION* using English. I will be your *COACH* to help you improve your communication skills and use your English more naturally.

**COMMUNICATION IS OUR GOAL:** Focus on your ideas and feelings, and making them clear to others in English.

**THINKING IN ENGLISH:** You will practice with activities that help you use English DIRECTLY. Remember, English is YOUR second language.

**TOPICS:** I will offer many topics, and you are also invited to share your ideas and interests.

**ACTIVITIES:** Practice by yourself, with partners, and in groups. Enjoy chatting, presentations, short speeches, problem-solving, role-playing, simulations, debates.... Our goal is *ACTION*.

**MEDIA:** We focus on listening and speaking, but we also include body language, music, pictures, YouTube and TED, and reading/writing.

**SPECIAL TOPICS:** We explore special challenges facing Japanese English-speakers, and practice special exercises to help you overcome these challenges. We will cover important topics in English communication you probably didn't learn about in school.

**NO TEXTBOOK:** We will use handouts and other media, including practice with ChatGPT, as needed.

Won't you join us in *Enjoying YOUR English* more?

**QUESTIONS?** I'm at: [frankinkkc@gmail.com](mailto:frankinkkc@gmail.com) **Frank** (Berberich, PhD)]

・ Frank 先生は、受講生からの発言をととても大切にされていて、「今週何かあった？」から始まり、皆がトピックを持ち寄り質問したり意見を言い合ったりして、まさに英語での会話を楽しむ時間でした。
