

Class name: 中級水 Conversation for Pleasure, Conversation for Purpose 水

(Online/18:30-20:00) Instructor: Dr. Frank Berberich

Helping learners navigate different conversational situations with confidence and clarity.

Would you like to feel more comfortable and natural when speaking English? This course is designed to help you enjoy conversations in different situations—whether for fun, socializing, work, or problem-solving.

Through interactive activities, role-playing, and AI-powered exercises, you'll build confidence, expand your skills, and discover new ways to express yourself in English. No matter your goals, you'll find practical strategies to make your conversations smoother, more engaging, and more effective.

Week 1: Introduction & The Art of Conversation

- Understanding 'pleasure' vs. 'purpose' in conversation
- Icebreakers & building confidence

Week 2: Small Talk & Socializing (Pleasure)

- Strategies for casual conversations
- Role-playing everyday social situations

Week 3: Telling Stories & Sharing Experiences (Pleasure)

- Engaging storytelling techniques
- Descriptive language & intonation

Week 4: Expressing Opinions & Agreeing/Disagreeing (Purpose)

- Sharing opinions politely & persuasively
- Handling disagreements smoothly

Week 5: Problem-Solving & Asking for Help (Purpose)

- Phrasing requests effectively
- Role-playing real-life scenarios

Week 6: Professional Conversations & Networking (Purpose)

- Introducing yourself & making connections
- Handling work discussions & meetings

Week 7: Handling Difficult Conversations (Purpose)

- Managing misunderstandings & feedback
- Handling complaints & sensitive topics

Week 8: Using Humor & Playful Language (Pleasure)

- Humor in English conversations
- Practicing jokes, puns & anecdotes

Week 9: Persuasion & Negotiation (Purpose)

- Techniques for persuasive speaking
- Negotiation role-play exercises

Week 10: Review & Improvisational Practice

- Revisiting key skills & challenges
- Improvisational speaking activities
