

第 44 回英語研修_Winter クラス

Class name: 中上級火 Upper Intermediate Tue. (Online /18:30-20:00)

Instructor: Ms. Melissa Noguchi

Review, Preview, and YOU

This winter short course is partially based on the new Cambridge University Press textbook, “Evolve” Book 4A and partially based on the English that participants encounter and use in their daily lives.

Who is this course for?

Review:

Participants who attended the recent long course based on “Evolve” Book 4A know that we had to skip some sections and activities due to time limits. This course will look back at the text to complete some of the skipped sections.

Preview:

Participants who are considering taking my long course from next spring (“Evolve” Book 4B) will have a chance to see and use the textbook and to experience my class. It is **not** necessary to have participated in the previous course – anyone is welcome.

YOU:

Some of our classes will provide opportunities for participants to ask questions about their daily-use English. By creating a space where participants can ask specific questions about English, I hope to provide support for your real-life English experiences. Asking questions and hearing the answers to questions will help participants improve the English they use for work or socializing in specific ways.

This course will help participants build English fluency by enhancing understanding through reading, listening, and discussion. I hope to create a comfortable and friendly classroom environment where we can all explore and enjoy English together.
